THE FACULTY OF MUSIC

Musical study at the University of Toronto has now been firmly established in the Faculty of Music's new Edward Johnson Building, on a rising slope on the North Campus where the towering profile of the opera house has already become an outstanding feature of the skyline.

The new building offers facilities which are second to none on the continent. The building is sound-proofed and air-conditioned. It includes forty-one individual practice rooms; classrooms equipped for the use of tape and disc recording, along with the most modern visual aids; individual lockers for full-time students; common rooms; recording control rooms; special sections for instrument storage and repair. The department of Electronic Music has laboratories and studios in the building.

The entire third floor is devoted to the Edward Johnson Memorial Music Library, the nucleus of which is Dr. Johnson's own priceless collection of scores and books, contributed during his lifetime. The shelves can accommodate over 75,000 books, scores and records; and the Library, in addition to an extensive reading room, has individual listening cubicles and sound-proof booths for both monaural and stereophonic listening; workshops, and a seminar room.

Most striking features of the building are the two auditoria. The larger, the MacMillan Theatre, seats 815 and is designed specifically for opera, but will also be used for orchestral, band and chorus concerts. The smaller auditorium, a Concert Hall, seats 500 and is used for recitals, primarily by and for students.

The building is close to many of the residences, and also to the buildings in which Music students receive instruction in academic subjects through the Faculty of Arts and Science.

COURSES OF INSTRUCTION

COURSE LEADING TO THE DEGREE OF BACHELOR OF MUSIC

Instruction leading to the degree of Bachelor of Music (Mus. Bac.) is provided through a four-year course for full-time resident students. The degree may be obtained in any one of three major fields: Composition, History and Literature of Music, or Music Education.

Students in Composition or History and Literature are given specialized instruction in the creative and scholarly aspects of music as well as preparation appropriate to a variety of careers for which a foundation in general musicianship is essential.

The curriculum in Music Education stresses the practical aspects of instrumental and choral training as well as providing theoretical, historical, and academic grounding. It provides for the preparation of teachers of music in the schools with special emphasis on secondary school work. Graduates in Music Education who desire to qualify as teachers of music in schools must spend a session at a teacher-training institution: The Ontario College of Education (for secondary schools), Teachers' College (for public schools), or similar institutions in other provinces. Full information regarding the requirements for admission to these institutions may be found in either the calendar of the College of Education, 371 Bloor Street West, Toronto, the pamphlet "Teaching in the Elementary Schools" obtainable from the Ontario Department of Education, Parliament Buildings, Toronto or by writing to the Department of Education in the province concerned.

COURSES LEADING TO THE ARTIST AND LICENTIATE DIPLOMAS

The Faculty of Music offers two three-year residence courses leading to the Artist and Licentiate diplomas.

The Artist Diploma course is designed for especially gifted singers, instrumentalists, organists, and composers who are sufficiently advanced to be able to prepare themselves, under the guidance of artist teachers, for a professional career.

The Licentiate Diploma course (in piano, violin and voice) combines vocal or instrumental training with instruction in pedagogy to prepare the student for a career as a private teacher.

COURSE LEADING TO THE DEGREE OF BACHELOR OF ARTS

The Faculty of Music, through the Faculty of Arts and Science, offers instruction in a four-year residence course with honours in Music, leading to the degree of Bachelor of Arts (B.A.). This course emphasizes the theoretical, historical and philosophical aspects of music; combined with language study, it constitutes an excellent preparation for graduate studies in Musicology. Information regarding content and requirements for admission may be found in the calendar of the Faculty of Arts and Science.

COURSES LEADING TO THE DEGREE OF MASTER OF MUSIC

The Faculty of Music, through the School of Graduate Studies, offers residence courses leading to the degree of Master of Music (Mus.M.). The student will do advanced work in one of the following fields of concentration: Composition, History and Literature of Music (Musicology), or Music Education.

THE DEGREE OF DOCTOR OF MUSIC

The Faculty of Music provides examinations for the degree of Doctor of Music (Mus.Doc.) which is awarded through the School of Graduate Studies. It does not, however, provide instruction in the subjects covered by examinations.

Upon satisfying the conditions of the suspension the student shall be entitled to re-enrolment in the Faculty. Students are referred especially to the following sections of the calendar: Examinations, Standing in the Year, and Standing in a Subject.

Any student who withdraws after February 15th, or who does not withdraw but does not write the annual examinations, will be regarded for the purposes of these regulations as having failed his year.

APPEALS

Any student wishing to appeal to the Senate against a decision of the Council of the Faculty of Music should consult the Secretary of the Faculty or the office of the University Registrar.

CHOICE OF MAJOR

The Bachelor of Music degree may be obtained in three major fields: Composition, History and Literature, and Music Education. The curriculum of the first year for each major field is the same (see page 28). During the first year each student will choose his major in consultation with members of

the teaching staff in each field, and in the second, third and fourth years will follow the appropriate curriculum for his major.

The terminology "General Music Course" (for specialization on Composition or History and Literature) and "Music Education Course" is discontinued effective with the academic year 1964-1965.

HEALTH REQUIREMENTS

The University requires that each student in his or her first year at the University take a medical examination given by the University Health Service.

PHYSICAL EDUCATION

By order of the Board of Governors each first year student in a degree course unless exempted as provided below, must register for and satisfactorily complete a swim test and the required programme in Physical Education. Any student, unless exempted, who does not satisfactorily complete the Physical Education requirement *shall pay an additional fee of \$50.00 at the beginning of the next session in which he or she is registered in the University. This special fee will be refunded if the student registers for and satisfactorily completes the required programme in that session.*

Physical Education credits may be earned by participation in instructional classes, swimming and water safety classes, intercollegiate and intramural sports.

Exemptions: (1) one year's satisfactory standing in Physical Education at this or any other University (2) admission by advanced standing to second or a higher year at this University (automatic exemption (3) if age is 25 years or more (4) ex-military service (Permanent Force) (5) provisional acceptance by the U.N.T.D., C.O.T.C. or U.R.T.P. followed by satisfactory completion of one year's service (6) exemption by the University Health Service (7) special consideration.

To claim exemption: report by October 31st to: MEN—Intramural office, Room 106, Athletic Wing, Hart House; WOMEN—Room 230, Benson Building, 320 Huron Street.

EXAMINATIONS

The annual examinations will take place at the University beginning on April 19 (degree courses) or May 3 (diploma courses). Applications for these examinations must be submitted to the Secretary by January 18.

Supplemental examinations will be provided in August* for candidates who are conditioned. These examinations will be held at the University* and at the following centres: Vancouver, Edmonton, Calgary, Saskatoon, Regina, Winnipeg, Kenora, Port Arthur, Sault Ste. Marie, Kapuskasing, North Bay, Kirkland Lake, Windsor, London, Kingston, Ottawa, Montreal, Quebec, Fredericton, Halifax, Charlottetown, St. John's (Nfld.). Permission to write at one of these centres must be requested when submitting the examination application. Candidates at outside centres will be required to pay the Presiding Officer's fee. Applications for the supplemental examinations must be sent to the Secretary by July 1st.

Note: Students are cautioned that, in courses where standing is granted on the basis of a term mark only, supplemental examinations are not usually provided. Failure to obtain standing in such subjects may make it necessary to repeat the course during a subsequent session. In some cases this would mean the student would be debarred from entering the next higher year until the condition was removed.

Students who, in the session 1962-1963 or previously, were conditioned in a subject at the regular or supplemental examinations, will be given *only one* further opportunity to remove this condition without re-enrolling in the subject. In those cases where a term mark is required and the student fails to remove the condition after this one opportunity, he will be required to earn a new term mark before re-writing the examination.

In cases where a subject is no longer offered by the Faculty of Music or where the content of the subject has changed, the applicant will be given *only one* opportunity to write an examination based on the requirements in force at the time of the original examination. If the subject has not changed fundamentally, students will be expected to write a supplemental examination based on the requirements currently applicable to that subject.

Beginning with the session 1963-64, if a condition is not removed after two consecutive examination periods (regular and supplemental), a student must re-enrol in the subject concerned, earn a new term mark, and subsequently pass a supplemental examination.

Each student in the Degree Course will have an annual performance examination in his or her applied music field. The performance standard for graduation from the degree course will be determined by the Council. Each student in the final year will be expected to demonstrate a high level of musicianship in his chosen area of applied music studies.

Each student in the First Year of the Artist and Licentiate Diploma courses must present himself at the end of the academic year for an examination in performance on his major instrument or in voice. Requirements for this examination will be determined by the Director in consultation with the representatives of the Piano, String, and Voice teachers. A student may, in addition to the examination, be given the opportunity of presenting a recital if recommended by his teacher.

Each student in the Second Year of the Diploma Courses will be required to present a recital during the academic year, this recital to be evaluated by examiners and the results considered with those of the student's other subjects.

Each student in the Third Year of the Diploma Courses will be required to meet the appropriate recital requirements as follows:

COURSES LEADING TO THE ARTIST DIPLOMA

- | | |
|-----------|--|
| Piano | —to give two complete recitals . . . or |
| | to give one recital and one concerto performance with orchestra. |
| Strings, | —to give two complete recitals . . . or |

| or Brass | orchestra and one ensemble performance. |

- Singing —to give two complete recitals . . . or
give one recital and to sing a major role in an operatic production.
- Organ —to give two complete recitals.
- Composition —to submit a symphonic work scored for full orchestra.

COURSES LEADING TO THE LICENTIATE DIPLOMA

- to give one complete recital.
—to pass a viva voce examination on teaching methods including demonstration lessons.

**Supplemental examinations in Sight Singing, Keyboard Harmony, Conducting, Instrumental Class and Diploma Course subjects will be provided in Toronto only and held during the month of September.*

AEGROTAT STANDING

Representations on the part of candidates with regard to the examinations and applications for consideration on account of sickness, domestic affliction, or other causes, must be filed with the Secretary before the close of the annual or supplemental examination period together with doctor's certificates or other evidence.

STANDING IN THE YEAR

To obtain standing in any year, a candidate must obtain an average of sixty per cent in all music subjects. The average in these subjects is to be obtained by weighting each subject in accordance with the number of weekly class hours. A candidate may write any number of supplemental examinations provided his average in music subjects is sixty per cent. A candidate who is conditioned at an annual examination in a subject indicated in italics on pp. 28 to 37 must obtain standing in this subject at the supplemental examination in order to be eligible to enrol in the next higher year. *Not more than one non-italicized subject may be carried as a condition into the next higher year.*

A candidate must obtain complete standing in the First Year before he may register in the Third Year, and complete standing in the Second Year before he may register in the Fourth Year.

A student failing to obtain standing in a year's work will be permitted to repeat the year only once unless special permission is granted by the Council of the Faculty of Music.

A student who obtains First Class Honours in the work of the final year of a degree or diploma course will graduate "with honours".

STANDING IN A SUBJECT

To receive credit in any Music subject, a candidate must obtain a final or supplemental examination at least fifty per cent of the examination mark and at least fifty per cent of the aggregate of the term and examination marks.

Degree students are referred to regulations of the Department of English concerning the necessity for obtaining satisfactory standing in essays to receive credit in these courses.

If a condition in a subject (Music or Arts) is not removed after two consecutive examination periods (regular and supplemental), the student must re-enrol in the subject concerned during a subsequent academic year, earn a new term mark, and subsequently pass a supplemental examination.

A student who has been granted credit in a prescribed subject or subjects in the regular curriculum, may petition the Council for permission to substitute other subjects in their stead.

A student who has been granted exemption from a prescribed subject or subjects in the regular curriculum is normally granted only "pass" standing in the year in which the exemption is in force regardless of the standing to which he would otherwise have been entitled on the basis of his overall average.

GRADES OF HONOURS IN THE YEAR

First Class Honours—Seventy-five per cent and up

Second Class Honours—Sixty-six to seventy-four per cent

Pass—Sixty to sixty-five per cent.

GRADES OF HONOURS IN A SUBJECT

First Class Honours—Seventy-five per cent and up

Second Class Honours—Sixty-six to seventy-four per cent

Third Class Honours—Sixty to sixty-five per cent

Pass—Fifty to fifty-nine per cent.

APPLIED MUSIC

Individual instruction in instrument performance or in singing is provided for all students in the Faculty of Music. The cost of this instruction is included in the basic University tuition fee.

Assignment to teachers in applied music is at the discretion of the Director and no change in teacher will be permitted except at the beginning of a term. The choice of performing medium (instrument or voice) for degree course students is also subject to the approval of the Director.

Any student who withdraws from the Faculty of Music without the permission of the Director will not be permitted to register in the School of Music for the balance of the school year.

PERFORMING ENGAGEMENTS

During the academic year, all Diploma course students must obtain permission in writing from the Director before accepting professional engagements or taking part in musical activities not connected with the Royal Conservatory of Music or the University.

ENSEMBLES

Degree and Diploma students whose course of study includes Ensembles will participate in Orchestra, Band or Chorus. Assignments to performing groups will be made at the discretion of the Director.

PERFORMING ORGANIZATIONS

FACULTY OF MUSIC CHORUS

The Faculty of Music sponsors a mixed chorus under the direction of Professor Richard Johnston. This organization holds rehearsals in the Edward Johnson Building throughout the year. The Chorus is a regular part of the curriculum for degree and diploma students in the Faculty of Music. Membership is also open to qualified singers from other divisions of the University. The Chorus prepares a varied repertoire selected from among the choral master-works of all historical periods.

OPERA SCHOOL

All voice students in the Artist Diploma Course participate in the activities of the Royal Conservatory Opera School. Students in the licentiate Course in voice may petition to join the Opera School. This Opera School has played an important role in the development of opera in Canada since its inception in 1946. It trains students in all phases of operatic production and serves, in particular, as a source of talent for the C.B.C. Opera Company and the Canadian Opera Company. Opera School students often perform in complete operas and present programmes of operatic excerpts in out-of-town centres. It is significant that many graduates of the School are now members of leading companies both in North America and Europe.

Through the years the Opera School productions have aroused growing public interest. Productions have included traditional operas as well as contemporary and seldom-played works of unusual interest, some of which have been first Canadian performances.

Students in the solo class receive specialized training. They are all individually coached and, in addition, attend regular classes in operatic repertoire, in stage deportment, and in the technique of acting. They are cast as soloists in stage productions, and also attend all chorus rehearsals. The chorus class holds weekly evening rehearsals and participates in various broadcasts and stage productions.

Applicants who wish to enter the Opera School rather than enrol in the Faculty of Music, should obtain application forms directly from the Principal of the School of Music, 273 Bloor Street West, Toronto 5.

A limited number of students may join the School to study as conductors and correpetiteurs.

A new feature of the Opera School has been the introduction of a course in Theatre Technology. This course includes instruction in stage management, stage lighting and scenic construction. Students taking this course will assist with the performance programme of the Opera School.

ROYAL CONSERVATORY SYMPHONY ORCHESTRA

The Royal Conservatory Symphony, conducted by Dean Neel and Principal Mazzoleni holds weekly rehearsals. During the year selected student soloists perform concertos with full orchestra. Music chosen is varied so as to allow particularly broad and intensive training in sight-reading. In addition to the classic repertoire, the orchestra has consistently introduced music not generally known to students or concert audiences.

UNIVERSITY OF TORONTO CONCERT BAND

The University of Toronto Concert Band, conducted by Professor Robert A. Rosevear with Professor Ezra Schabas as Associate Conductor, is an official all-university musical organization. Regular concerts are presented in the MacMillan Theatre of the Edward Johnson Building throughout the academic year. Membership in the Concert Band is required of wind and percussion instrument performers enrolled in the Faculty of Music but is also open to students and staff of the University at large. The repertoire of the Band is built largely from original works for wind instrument ensemble with attention also given to transcriptions from other musical media. Prospective members are auditioned at the opening of the session.

UNDERGRADUATE ASSOCIATION

The Undergraduate Association is the official undergraduate organization in the Faculty of Music.

The object of the Association, as stated in its Constitution, is "to promote the interests of undergraduates in the Faculty of Music, to cultivate relations between the faculty and the student body, to encourage the participation of the student body in University activities, and to further goodwill among the members themselves."

The officers are elected annually and consist of the President, the Vice-President, the Secretary, the Students' Administrative Council representative and an Executive Committee composed of members representing each year and course. One member of the faculty is chosen annually by the officers of the Association to act as an adviser to the Association.

INFORMATION OFFICE

Concert engagements outside the Faculty, for leading students and recent graduates, are arranged through the Information Office. Requests are filled for oratorio and other soloists, choristers, organists, accompanists and musical performers in all categories. The Office also fills teaching engagements, and provides assistance in securing summer employment.

LIVING ACCOMMODATION

WOMEN STUDENTS' RESIDENCE

A limited number of music students are accommodated at the University Women's Residence, 99-101 St. George Street, Toronto, 5. Applications should be made to the Residence Supervisor at that address as early as possible.

Residence fees, including room and meals, are \$645.00 for the academic session. Fees do not cover laundry service, but a laundry room is available to students.

The residence is closed during the Christmas vacation, and arrangements must be made for accommodation elsewhere during that period.

OTHER ACCOMMODATION

For other living accommodation inquiry may be made from the following sources:

WOMEN (Residences maintained by the various Arts Colleges):

University College—Dean of Women; *Victoria College*—Dean of Women; *Trinity College*—Registrar; *St. Michael's College*—Head, St. Joseph's College, Queen's Park or Head, Loretto College, 86 St. George Street.

MEN (Residences maintained by the various Arts Colleges):

University College—Dean of Men; *Victoria College*—Senior Tutor; *Trinity College*—Registrar; *St. Michael's College*—The Superior, St. Michael's College.

The University Men's Residence for undergraduates of all faculties, apply to Secretary, Residence Committee, Simcoe Hall. An early application is advisable.

HOUSING SERVICE

For the convenience of those students who are not able to find accommodation in the University and College residences, the University maintains a listing of rooming houses, flats, apartments and homes. Information on these rooms may be obtained through the Housing Service office at 581 Spadina Avenue, Toronto 4.

Off-campus housing of this nature is not subject to University regulation, however every effort is taken to make the information on the accommodation as complete as possible and students are encouraged to assist on this effort by reporting on the quality of the accommodation that they have occupied.

A limited amount of accommodation is offered in exchange for part-time services such as housekeeping or babysitting.

The Campus Co-Operative Residence Incorporated offers certain housing accommodations for undergraduate and graduate students. Since the University of Toronto has no official connection with this organization, enquiries about accommodations should be addressed directly to the Residence at 395 Huron Street, Toronto 5, Ontario.

For this reason, all students should be prepared to pay at least the first instalment of fees, which is a University requirement to complete registration.

FINANCIAL AID

SCHOLARSHIPS/PRIZES, BURSARIES AND LOAN FUNDS

There are three types of financial aid for undergraduates—Scholarships/Prizes, Bursaries and Loan Funds. The University, the Federated Universities and Faculties, as well as the Provincial government and other agencies have funds to provide these types of aid.

In the Faculty of Music, certain types of award apply to *degree courses only*, while others are available *only to diploma course students*.

Financial aid is not available to students in cash prior to registration at the University, although the value of awards so made will be applied against fees.

A *Scholarship/Prize* is an award given to a student of high academic achievement and normally the financial need of the student is not taken into account when considering his qualifications for these awards.

A *Bursary* is an award to a student who can show that financial assistance is needed in order to proceed with his education. He must, of course, also show that he is capable of benefitting from further education, although the academic standard required is normally not as high as that needed for a Scholarship.

Loan Funds are available to students who wish to use them to provide emergency financing or to provide additional funds above any Scholarship or Bursary assistance received. The student must complete a formal loan agreement with the University or other lending body.

ADMISSION AWARDS

(FOR STUDENTS ENTERING FIRST YEAR OF A DEGREE COURSE)

Many admission awards are available to students entering degree courses in the Faculty of Music. Information may be obtained from high school principals and guidance counsellors, or may be found in the current Admission Awards calendar available from the Registrar of the University.

respecting the award specifies that standing lower than first class honours may be accepted.

When an award is granted upon standing obtained on part of the work of any academic year, the candidate must obtain standing, but need not obtain honours in the work of the academic year as a whole, provided he obtains honours in the part concerned, unless the statute respecting the award specifies otherwise.

No award except a bursary will be granted to a candidate who is conditioned in any subject at an annual examination, unless the statute respecting the award specifies otherwise.

A candidate who has spent two sessions in any year of any undergraduate course is not eligible to compete for any award except a bursary at the annual examinations of that year.

Unless otherwise specifically provided, any award in the gift of the Senate shall be tenable with any other award or awards.

Awards will be paid (I) if of the value of \$100 or less, in one instalment on November 20, and (II) if of the value of more than \$100 in two equal instalments, the first on November 20 and the second on January 20 in the session following the granting of the awards.
